**To register**

- Go to [www.safekids.org/certification](http://www.safekids.org/certification)
- Click on "Find a Course" and follow instructions
- The \$60 registration fee includes your first two years of certification

## 2009 National Child Passenger Safety Training Dates & Locations

### Classroom Information

- Hands-on activities to become familiar with all types of car seats and safety belt systems
- Learn which child restraint systems are appropriate for different age & weight of children and how to correctly install them
- Optimal instructor-student ratio for maximum learning

### Course highlights

- Reference manual to take home
- 32-hour course with intermittent written tests
- Hands-on experience installing car seats
- Participate in a real community safety seat checkup event!

### Who should attend?

- Parents
- Car dealerships
- Teachers
- Child care providers
- Firefighters
- Head Start personnel
- Law enforcement
- Caregivers
- Medical personnel
- Emergency medical technicians
- Any interested adult

A \$200 stipend may be available for those traveling more than 50 miles each way to attend the training!

### Become a certified child passenger safety technician.

Use your new skills to teach parents and caregivers about proper car seat safety for their children.

### Make a difference...

Help ensure Montana's little ones are safer while traveling.

Montana Department of Transportation attempts to provide accommodations for any known disability that may interfere with a person participating in any service, program or activity of the Department. Alternative accessible formats of this information will be provided upon request. For further information: (406) 444-0809; TTY (800) 335-7592; Montana Relay at 711; or fax (406) 444-9409

This flyer was produced at a cost of \$266.51 with 1000 printed at \$0.26 each.
